

# CONTINENTAL BAKERY TS

ITEM: \_\_\_\_\_ QUANTITY: \_\_\_\_\_

## TRI-SPLIT MODEL # SCCB-TS

SCCB-TS Shown with optional casters.

### SPECIFICATIONS

The SCCB-TS is a three section display case consisting of a refrigerated self-service lower section a refrigerated mid section and a non-refrigerated upper section. The lower section has a hemmed edge to contain spills. The deck pan can be removed for easy cleaning. A glass shelf separates the mid and bottom sections for better visibility of product. The upper section is non-refrigerated creating a most versatile display case.

The SCCB-TS merchandiser is designed for use in stores where temperature and humidity do not exceed 75 degrees F and 55% R.H. Locate away from direct sunlight, rapid air currents and extreme temperature changes. Exposure to air currents from ceiling fans, air conditioners, ovens, etc. will disrupt the case's air curtain and refrigerated zone within. Any adverse conditions will affect warranty. RPI in line with its policy to continually improve its product reserves the right to change materials and specifications without notice.
