PROJECT: _____

ITEM: _____ QUANTITY: _____

SPECIFICATIONS

IA-6-AP is a modular serving counter with a mechanically cooled Vienna Series air pan display unit. Featuring a 14-gauge stainless steel top, stainless steel interior base, plastic laminate recessed reveal exterior fascia panels on three sides along with a plastic laminated plate shelf. Red oak legs with squared stainless steel decorative caps to conceal the heavy-duty adjustable legs.

Available depths: 42"

Available lengths: 54" 66" 78" 90" 102"

STANDARD FEATURES

- 14-Gauge Stainless Steel Top
- Stainless Steel 18-Gauge Base Cabinet Open Rear
- Adjustable Legs with Stainless Steel Square Caps
- Red Oak Legs with 3/4" Recessed Reveal
- Standard Stain Finishes
- Laminate Plate Shelf
- 8'-0" 120 Volt Cord and Plug

- All Integration Series counter bases are fabricated in 18-gauge, type 304 stainless steel. Each counter top is fabricated in 14-gauge, type 304 stainless steel with a 2" drop edge and welded corners. Heavy duty 14-gauge cross bracing is provided as standard for additional stability and deflection resistance. Each unit is internally wired to accommodate either 120volt or 208volt operation to a factory-mounted junction box. All Integration Series counters are NSF listed for sanitation. All millwork exteriors are fabricated in accordance with AWI standards.

OPTIONAL FEATURES

- Stainless Toe Base in Lieu of Wood Base
- Convenience Outlet Panel Mounted with a Cord and Plug
Specify Voltage, Wattage and Location
- Vertical Stainless Steel Corner Trim on Legs
- Casters
- Louvers to Match Base
- Exterior Custom Stained
- Exterior Laminate: Non-Standard
- Non-Standard Wood Species
 - Cherry Maple Mahogany Walnut
- Corian Top: Stock Colors
- Corian Top: Non-Stock Colors
- Zodiac Top: Stock Colors
- Zodiac Top: Non-Stock Colors
- Standard Grade Laminate Top
- Plate Shelf Options
 - Stainless Steel Corian Zodiac
- Stainless Steel Tray Runners
- Rear Doors
